ANNUAL REPORT

OF THE

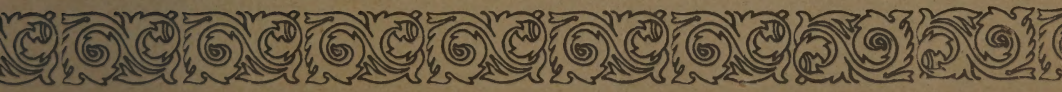

Selectmen, Treasurer, Water
Commissioners, Board
of Education Board
of Health
and Town Clerk.

OF THE TOWN OF

RAYMOND, N. H.

FOR THE YEAR ENDING FEB. 15, 1906.

1906
DAVID W. WHITTIER, PRINTER
RAYMOND, N. H.

THE STATE OF NEW HAMPSHIRE.

To the inhabitants of the town of Raymond, in the County of Rockingham, in said State.

You are hereby notified to meet at the Town House in said town on Tuesday the thirteenth day of March Next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the ensuing Year.

2. To raise such sums of money as may be necessary for the maintenance of the poor, for the support of the schools, for laying out and repairing highways and building and repairing bridges, and for all other necessary charges arising within the town.

3. To see what sum of money the town will vote to raise above what the law requires, for the support of the library.

4. To see what sum of money the town will vote to raise to pay the Fire Company.

5. To see what sum of money the town will vote to raise to wind and keep in repair the Public Clock.

6. To see what sum of money the town will vote to raise for Memorial purposes.

7. To see if the town will vote to make a discount of 3 per cent on all taxes paid on or before June 15, 1906.

8. To see what action the town will take in regard to continuing lighting the streets, and to raise such sums of money as may be necessary for the same.

9. To see if the town will vote to exempt from taxation the Fire Company's Building.

10. To see if the town will vote to purchase a Hook and Ladder Truck.

11. To see if the Town will vote to exempt the firm of Falconer & Feely from taxation for the term of ten years.

12. To see what sum of money the town will vote to raise towards exterminating the brown tail and gypsy moth.

13. To transact such other business as may legally come before said meeting.

Given under our hands and seal this twenty-fourth day of February, A. D. 1906.

JAMES M. HEALEY,	} Selectmen of Raymond
WALTER J. DUDLEY,	
DAVID H. GRIFFIN.	

A True copy of warrant attest.

JAMES M. HEALEY,	} Selectmen of Raymond.

JAMES M. HEALEY	} Selectmen of Raymond.
WALTER J. DUDLEY	
DAVID H. CRIFFIN	

We the undersigned Auditors of the Town of Raymond.
for the year ending Feb. 15, 1906, have examined the accounts
of the Selectmen, and find them correctly cast and properly
vouched.

E. S. POOR,	} Auditors.
H. L. P. WHITTIER,	

REMARKS.

The committee chosen to make a new appraisal of the real estate of the town, have made their report to the selectmen; while they have not materially changed the total valuation of the town, we are of the opinion that a tax assessed upon the valuations as returned by them, would result in a more just and equal distribution of the burden of the town expenses than we have had in the last few years.

During the year, certain sums to the amount of \$400. namely the C. W. Lane fund, \$100., the R. Clay fund, \$200., and the Mrs. S. P. Bullard fund, \$100., which were held in trust by the town, the income to be used in caring for their respective lots in Pine Grove Cemetery have been withdrawn from the treasury, and deposited in the Amoskeag Savings Bank. This will give the town the appearance of being \$400. more in debt, which is not so in fact, as the money, though in the treasury, was not the town's money,

The following legacies have been received during the year
From the estate of Mrs. Sophia P. Bullard:

To the town of Raymond, N. H., the sum of five hundred dollars to be used for the improvement and beautifying of the Pine Grove Cemetery in said town; also to the same town in trust, one thousand dollars to be invested in United States, State, City or town bonds, or in some institution for savings, or in some of the railroad stocks left by me, if made over to it by my Executor; the income to be used in caring for Pine Grove Cemetery in said town, my wish being that all lots not otherwise cared for by others, be trimmed at least once a year; to said town one hundred dollars to defray the expense of making a full list of all the graves that are now in said Pine Grove Cem-

etery and to enable the town to maintain a record in the Town Clerk's office of all graves that may hereafter be made there, for future reference; to said town of Raymond, one hundred dollars to be invested as I specified in preceding legacies, and held in trust, the income to be used in caring for the family burial lot of my late Uncle Alexander McClure, situate in said cemetery; but if such care be provided by any one else the same shall not take effect; To said town in trust, to be invested in like manner and the income used in care for and improving the family burial lot of my late father, T. Patten, in said cemetery; To the same town, five hundred dollars in trust to be invested in the class of securities and manner mentioned for other trusts, and the Income to be used perpetually to keep well painted and repaired such fence as enclosed from time to time said Pine Grove Cemetery, if the income is more than sufficient for that, the excess may be used to improve the cemetery; To the Town Library of said Raymond, one hundred dollars.

From the estate of Flavilla A. L. George:

The sum of fifty dollars, the income thereof to be expended in the care of the burial lot of her family in the Lane cemetery.

The trust funds from the estate of Mrs. Bullard, have been invested as suggested by her the town having received five shares of the stock of the Northern Railroad, of N. H., and five shares of the Stony Brook Railroad, Mass. The one hundred for the Library, has been paid to trustees and the other sums have been deposited in the Amoskeag Savings Bank until such time as they shall be needed for the purpose named.

The fifty collars received from the estate of Flavilla A. L. George has also been deposited in the Amoskeag Savings Bank.

We suggest that some suitable person should be elected or appointed, who, under the supervision of the selectmen, should have sole charge of Pine Grove Cemetery, who should perform the duties of sexton, and whose services other than the general care of the grounds should be paid for by those requiring them.

The money raised for highways, to be laid out in connection with that to come from the State, is still in the treasury, the State not being able to get the plans ready in season to do the work last summer.

Respectfully submitted,

RALPH H. SANBORN,	}	School Board
JOHN M. CRAM,		of
EDWARD W. SMITH,		Raymond.

We, the undersigned auditors for the town of Raymond, N. H., for the year ending Feb. 15, 1906, have examined the foregoing accounts of the School Board and find them correctly cast and properly vouched.

EDWIN S. POORE,
HORACE L. WHITTIER.

WATER COMMISSIONERS REPORT

Since our last report one new Service pipe has been added to the system and the use of the water is somewhat in excess of any previous year.

The income from Water takers has steadily increased each year, for several years past.

During the past year we have completed the purchase of the land where the standpipe is located. Negotiations were entered into by the Water Commissioners for this land, in the year that the System was installed and the price was fixed at that time between the parties at (\$100.) one hundred dollars. Later there arose a question in regard to the ownership of the land and the matter was dropped until within a couple of years when it was taken up by the present board of Water Commissioners, and the deed secured. The price being (\$160) one hundred sixty dollars, or the original price with 40 per cent interest added to the time it was deeded.

The repairs to the System during the last year, have been of a minor nature.

There are some parts of the streets in the village where the dirt has been washed away over the pipes, and they are not, therefore covered as deeply as when they were first put in.

It seems to us that this is a matter that the road agents, should look out for when repairing the roads, as the grading of the streets, is a work that does not properly come within the duties of the Water Commissioners to look after

A sample of the water has recently been examined at the State Laboratory of Hygiene, and found to be of the usual quality.

The list of bills approved and the balance sheet follows:

Respectfully submitted.

CARL J. WHITING,	}	Water
CECIL E. HAM.		
OCTOVUS W. FELLOWS,		Commissioners

Bills as follows have been approved.

REPORT OF BOARD OF HEALTH.

The board of Health wish to call the attention of the townspeople to the sanitary condition of our village, which we find in a fairly good condition, and only a few cases of poor sink drains and waste places have been called to the attention of the Board. While these have been repaired, we find several places where waste is being thrown where it should not be. We would ask that the people would exercise more care in the matter and not throw any waste or refuse matter in the low ground that drains into the river, as this has a tendency to spoil our drinking water. Consult, with the members of the Board, and they will try and help you keep our community in good, healthy condition.

We would call your attention to the law in regard to sink drains and privies, cesspools, etc. as printed in the public health laws of our State, Chapter 108. Sec. 8:—

No person shall occupy, lease to any other person, or permit any other person to occupy, a building or any part of a building, within the compact part of a city or town as dwelling house, office, store, shop, or sleeping apartment, unless such building shall be provided with suitable privies or vaults properly ventilated and constructed, and kept in proper sanitary condition, and in case of occupancy as a dwelling house, unless it shall be provided with suitable drains or sewers for carrying the sink water away from the premises into some public sewer, if there be one within one hundred feet thereof, and if not, for conveying it away underground or in some other way that will not be offensive.

SEC. 9. Any person neglecting or refusing to comply with the provisions of the preceding section shall be fined not exceed-

ing ten dollars for each day of neglect or refusal, after notice, as provided in Section four of this chapter.

The past year has been particularly free from Zymotic diseases. One epidemic of measles occurred, but owing to prompt action of your board, the outbreak was confined to only four houses. While the mortality has been high the past year, there have been but few deaths from acute diseases. No Typhoid fever or Diptheria has occurred within our borders during the year nineteen hundred and five.

Respectfully submitted,

JOSEPH A. BLAKE,	} Board of Health
J. EARL LADD,	
G. H. GUPTILL,
